ANNUAL DUES FORM 2009-2010

PTO dues support programs, services, activities and equipment that help ensure the best possible educational environment for our children while creating a stronger community. We seek input from teachers, parents and the administration to determine the best way to achieve these goals. Dues are the largest source of funding for the PTO and are essential to the continued support we hope to offer our students and staff.

We are grateful for any amount you can contribute.

Village School PTO is a non profit, tax exempt organization. All donations are tax deductible. We will automatically issue receipts for all donations over \$200. If you would like a receipt for your donation please check here _____.

All Village School parents and faculty are PTO members regardless of ability to contribute. You are not required to pay dues to receive a directory.

Thank up for your support!
