STUDENT GREETING CARD PROGRAM Permission Form

Dear Parents,

Our school is embarking on a truly unique fundraiser. Through Worldwise Education's Artwork for Education program, your child will create artwork that is featured on the front of a beautiful greeting card. On the back of the card, he or she will receive credit (by first name, age and school) as the artist. These bright, lively cards are blank on the inside and suitable for all-occasion use. They are lasting keepsakes that make wonderful gifts for friends and family. Your child will bring home a custom brochure that showcases his or her artwork and an order form for easy ordering that can be completed and returned to the school. When you browse through the brochure's vibrant and colorful pages, you will take great pride in the incredible artwork that your child and his or her peers have created. Many teachers have remarked, "This isn't a fundraiser, it's a gift to the parents! It also boosts your child's self-esteem."

The finished product comes as a packaged set of 12 full-color 4.5" x 6" cards of a single design with plain envelopes. Conveniently compact and portable, you can easily bring your cards with you anywhere! Each card set sells for \$20.00 (includes the cost of shipping directly to the school). Our school will retain \$7.50 from each sale—well above the average profit that schools earn from a typical fundraiser. Cards will be sent home with your child 3 weeks after our school submits all of the orders.

Our school's collection will be published on greeting cards and will post at **ArtworkForEducation.com** so friends and family across the country can participate. To include your child's artwork in the fundraiser, we need your permission. Please complete the permission form on the reverse side and return it to your child's teacher.

By signing this permission form you are not obligating yourself to buy cards—you are simply giving your permission for your child to participate in this program with the rest of the class and have their artwork reproduced on greeting cards that benefit our school.

Thank you for supporting our school!
